

**Center of Competence  
for global reporting-  
standards XBRL**

The top of the slide features a decorative header with a blue geometric pattern of overlapping triangles and polygons in various shades of light and medium blue.

The Center of Competence  
XBRL Switzerland promotes  
the dissemination of the globally  
established, open reporting  
standard XBRL in Switzerland  
in order to increase efficiency and  
standardization in reporting  
(financial and other!) As a forum  
XBRL Switzerland assembles  
stakeholders from the entire  
reporting value chain, starting  
from regulators, solution  
providers, reporting organizations  
through to users of reports.
